John Muller  
SF Bay Regional Water Board  
1515 clay street, Suite 1400  
Oakland, CA 94612

Dear Mr. Muller:

The SF Bay is filled with trash. It destroys recreation, impacts water quality and kills marine wildlife. The Board's proposed permit would require cities and counties to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "hot spot" – this doesn't go far enough. Our precious Bay deserves the highest level of protection – zero trash!

Sincerely,
